

Inn  
VOUGUUE  
The epitome of elegance & luxury!

### Soft and skin-friendly

The fabric is so soft that it feels silky on the skin

### Thick fabric

This fabric is made of multi-strand material, which makes the whole fabric feel thicker and more suitable for use as a warm sofa

### Surface grain texture

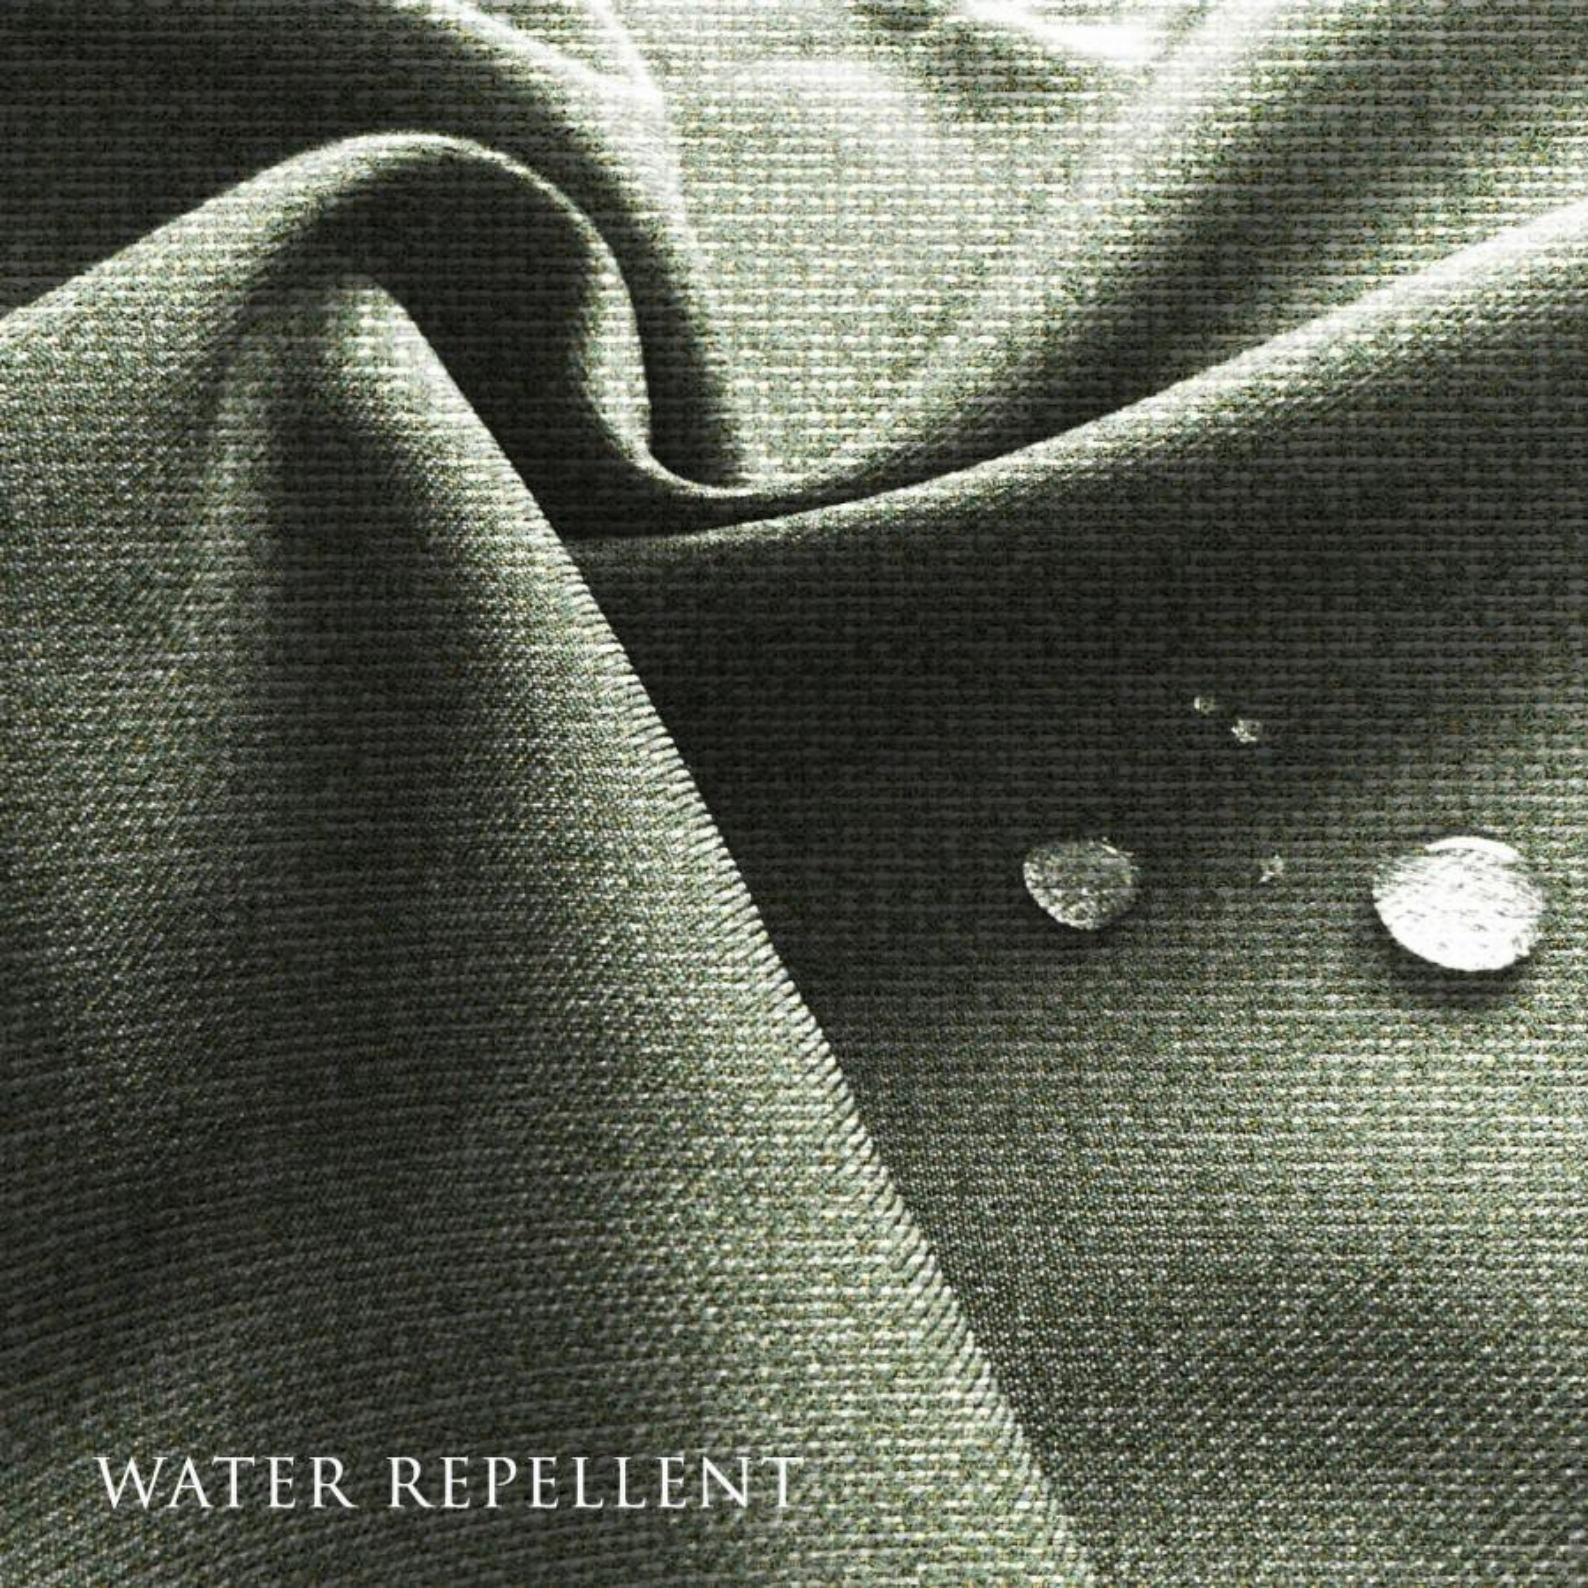

The surface is interwoven with fine fluff, which keeps warm and feels very comfortable

### Various colors

After market research, these fabrics are very popular in the market, so we have prepared a lot of colors to choose from.

Retreat

Retreat

A close-up photograph of a modern, light gray upholstered chair. The chair features a curved, rounded backrest and a matching curved seat. The fabric has a fine, textured pattern. A single black leg is visible at the bottom right, ending in a black cap. The background is a plain, light-colored wall.
